

LEDGEVIEW GOLF CLUB

Irrigation Technician – Job Description

This is skilled and supervisory work involving the design, maintenance and repair of automatic irrigation and drainage systems, and the maintenance and repair of golf course grounds, while maintaining a high standard of quality work and safety for staff and patrons.

The successful candidate reports to and works under direct supervision of the Superintendent, or the Superintendent Assistant in his/her absence, and directs unusual or complex situations to same.

Roles and Responsibilities

- Operates, services, installs various components, and performs regular maintenance and repairs to the automated irrigation and drainage system.
- Performs all regular maintenance duties required to maintain the highest standard of groundskeeping and playing conditions.
- Performs supervisory duties of crews, up to 2 staff members, while working on special projects and regular maintenance activity.
- Key component in the design, planning, budgeting, approval and eventual upgrades of the main irrigation system.
- Operates all types of turf-related equipment, while maintaining a high safety standard.
- Performs aeration procedures, (i.e. fairways, rough, greens and tees).

Qualifications

- Thorough knowledge of automated irrigation and drainage systems, including layouts and diagnosis.
- Knowledge and experience in groundskeeping of a golf course.
- Works on special construction projects in all areas of the golf course.

LEDGEVIEW

- Considerable and demonstrated ability to operate equipment related to all aspects of golf course maintenance.
- Qualified and experienced in safe operation and maintenance of hand power tools.
- Minimum 5 years' experience in golf course operations.
- 3 years' experience in Automated Irrigation and Drainage Systems

Compensation and Benefits

- Full time position at \$29.84/hr + wage progression each year
- 90% employer Health and Dental Benefit coverage after 65 day probationary period while actively employed
- Enrollment in the Company Multi- Sector Pension Plan with a matching 2.5% contribution from employer after 500 hours worked.
- Free golfing privileges as outlined in the Collective Agreement
- All benefits and compensation are outlined in the Collective Agreement which has been agreed upon by Ledgeview Golf Club and CUPE Local 774
